EXPERIENCE

INTEGRITI | Associate QA Automation Engineer
Feb 2025 - Present | Lahore, Pakistan

✓ Manual Testing :
- Testing UI components for responsiveness and alignment with user expectations.
- Verifying core functionality across billing modules to ensure stability.
- Validating back-end data integrity with advanced SQL queries.
- Logging and retesting defects in Jira to streamline agile delivery.

✓ Automation Testing :
- Automating end-to-end test cases using Selenium with Python in IntelliJ AQUA.
- Integrating test suites into CI/CD for continuous validation.
- Building reusable, data-driven frameworks for scalable coverage.
- Monitoring automated results to proactively catch regressions.

AICE XPERT | Remote Back-End Developer Intern
Jun 2024 - Dec 2024 | Lahore, Pakistan

- Implemented dynamic features such as user authentication, Google Drive integration and automated email notifications using Node JS.
- Crafted user and admin dashboards for efficient task management and real-time updates.

PRODIGY INFOTECH | Remote Machine Learning Intern
Jun 2024 - Jul 2024 | Mumbai, India

- Gained hands-on experience in machine learning algorithms.
- Developed, tested and optimized machine learning models for prediction tasks.

CODSOFT | Remote Web Developer Intern
Mar 2024 - Apr 2024 | Kolkata, India

- Demonstrated expertise in HTML5, CSS3 and JavaScript.
- Implemented responsive design principles to ensure optimal user experience.

CURRYS LONDON | Sales Development Representative
Jul 2022 – Sep 2022 | Lahore, Pakistan

- Represented Currys London in engaging with customers throughout the United Kingdom, promoting and facilitating the sale of premium and essential products.
- Executed outbound sales strategies to communicate offerings effectively, which led to better alignment with customer needs and preferences.
